**Saturday Sampler 2022 Program:** The **Date A Farmgirl Calendar** program meets at Prairie Point Junction on the 2nd Saturday of the month at 10:00 a.m. starting February 12th, 2022, running through December 10th, 2022.

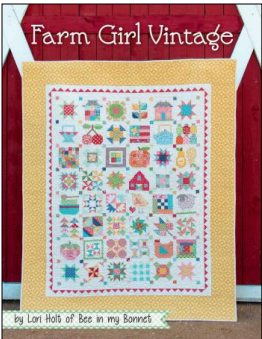

- We'll demo the blocks, share tips, showcase new products and tools and have show and tell.
- Pre-Register by January 22nd to have your first kit ready for pick-up on February 12th. Fees are due at registration.
- Attendance is optional, but encouraged to learn construction tips, show-n-tell, and socialize with quilting friends.

**How It Works:**

Julie has designed an exclusive calendar base pattern that includes a pocket to hold an 8 1/2" x 11" calendar. The 18" x 30" base has a blank square to showcase 12" blocks from the Farm Girl Vintage book by Lori Holt. *(That's where our title came from, a mash-up of calendar dates and Farm Girl Vintage).*

Start with the calendar base, then attach a 12" block each month to change up the calendar year. Don't want to make a calendar? The pattern will include instructions to make an 18" x 18" wall hanging. The blocks can also be used without the base as individual mini wall hangings, potholders, or add your own fabrics to join the blocks together to make a 60 1/2" x 74 1/2" quilt as shown using the layout on Page 112 of the Farm Girl Vintage book.
