Pre-Registration requested by February 1st to have your kit sent out with our first shipment. Kits will ship quarterly. Ship dates will be on or around the 15th of February, May, August, and November.

Work on A Charmed Life by Plumcutte Designs each month. Put all the blocks together into a 57" x 70" quilt, or use individual blocks for pillows or wall quilts. Embroidery blocks are 8" x 8" finished. Applique block size varies to create layout design.

We have used Moda Primitive Muslin as our background fabric. You can either purchase 3 yards of this fabric at the beginning of the series, or can use your own choice of background. This allows you to get all your background fabrics cut and prepped and insures you have the same dye lot throughout.
