Summer Sewing Time!

Summer means sewing for many reasons: Too hot to be outside, handwork accomplished during travel time in the car or out on the deck, 4-H sewing, kids visiting Grandma - the list goes on and on. We hope you find time and plenty of reasons for a creative pursuit or two as well. The shop is chock full of ideas to inspire you! Check out these patterns to make projects for your favorite kiddos!

Hope to see you soon,
Julie Geiger and the Staff at Prairie Point Junction

Row by Row Experience 2016

Visit quilt shops nationwide June 21st - September 6th. Collect a FREE row pattern at each shop you visit. Shops also have collectible fabric license plates for purchase. We have four to choose from. Visit rowbyrowexperience.com to learn more about the hop. Each state also has a Row by Row Facebook page for you to follow along and see all the rows.

Due to Row by Row rules, patterns and kits are not allowed to be mailed out until after November 1st. Feel free to contact us to reserve a kit for future shipment.

Our row is called Hearts Come Home. Pieced stars form the background for appliques. Choose from two kit options; one includes cotton flannel prints for the applique shapes, the other includes wools for applique.

Like our Row? You can help us win a contest to earn free rulers to share with you. Visit the [Creative Grids USA](http://CreativeGridsUSA) page on Facebook. Find the picture of our Row in their 2016 Row by Row Experience album and comment that our row is your favorite. (Rows won't be posted until some time after June 21st.)

Need ideas for what to do with all those license plates? Patterns from Patch Abilities will inspire you to display your rows in style. →

The Cozad Chamber of Commerce Tourism committee is working towards establishing a barn quilt trail in Dawson County. Follow Barn Quilts of Dawson County Nebraska on Facebook to stay up to date as we begin to add photos of barn quilts and post event info.

We had a great time earlier this spring teaching a group of talented young artists at Cozad High School's Maker Fair to paint a barn quilt. Their work can be seen displayed on the front of the 100th Meridian Museum.

Already painted a quilt that you've displayed in our area? Fill out a Marketing consent form that can be found at cozadchamber.com to be included on the Dawson County Barn Quilt Trail.
