We are thrilled to announce that Norma Whaley of Timeless Traditions Quilts will be our featured teacher for our retreat. Norma lives in Utah and is best known for her detailed pieced projects accented with cotton applique as well as a myriad of designs using wool appliquéd accents.

Join us for a make and take, trunk show and classes to learn Norma's tips. Norma stopped by our shop earlier this summer. We promise she is just as sweet as she is talented. You are going to love her!

Norma will show her methods for both needle turn applique using cotton fabrics and hand applique using wool. Choose which method to use on your project.
